**Central Michigan College**

Dr. Charles L. Anspach has been president of Central Michigan College since 1939.

During that span, CMC has doubled its enrollment and physical plant as it expanded into one of the major learning institutions in the nation.

President Anspach has achieved high eminence among college presidents of this generation.

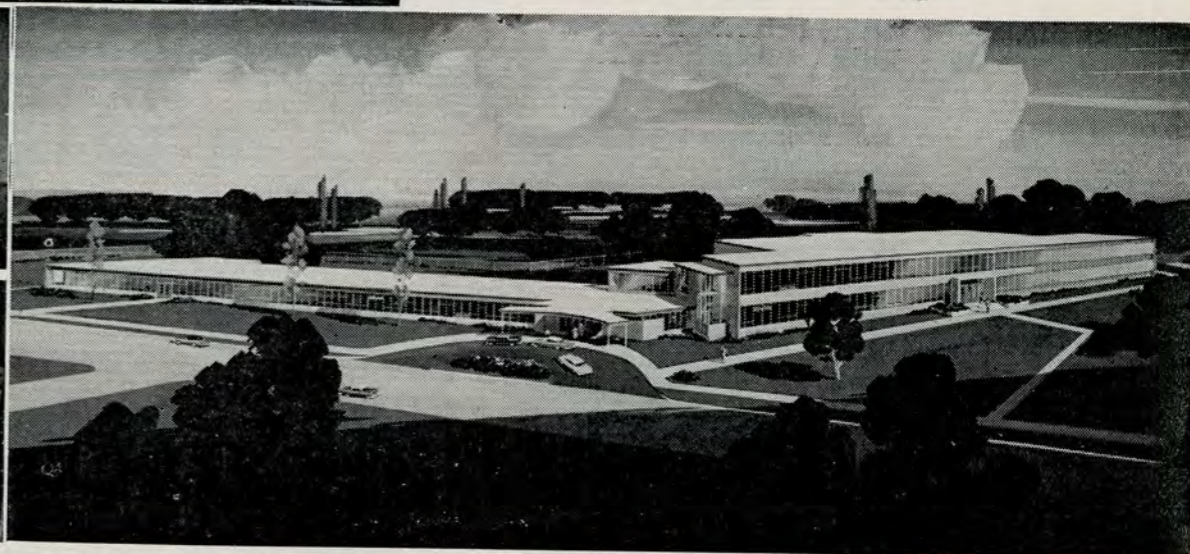

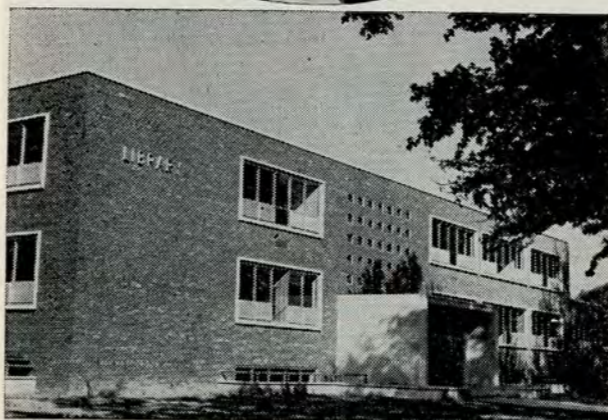

His friendliness and companionship with CMC's student body has become a campus tradition. He seldom misses a campus function.

He is recognized both locally and nationally for outstanding humanitarian contributions to religious, philanthropic and civic affairs.

Dr. Anspach graduated from Ashland College of Ohio in 1919, received masters degrees there in 1920 and at the University of Michigan in 1923 and was awarded a doctorate by the U of M in 1930. President Anspach was also bestowed an honorary LLD from Ashland.

He was named registrar of Ashland in 1923, was promoted to dean in 1926 and then went to Michigan State Normal (now Eastern Michigan) in 1930 to head that college's Department of Education.

He returned to Ashland in 1935 as president before coming to CMC in 1939.

## FORTY YEARS OF DUTY

Ron Finch, head of Central Michigan College's Health and Physical Education Department and Athletic Director Danny Rose represent a total of 40 years of service to the Chippewas. Both joined the staff in 1937.

During that span, they saw CMC rise from a small State teachers school to national prominence. Under their guidance, the College's Physical Education Department grew into one of the best in the Midwest.

Both are former coaches with long tenures as heads of CMC teams. Finch, a CMC graduate, was head football coach from 1937 until 1947 and during that 10-year span left an impressive record of 52 wins and only 18 losses.

Rose, a former All-American basketball player at the University of Michigan, became athletic director in 1942 and coached basketball at CMC for 14 fruitful seasons, winning an amazing 75 per cent of his games. He also coached baseball.

### THIS IS CMC

Central Michigan College is one of the fastest growing colleges in the State. Already, it is expanding to all corners of its vast campus with an estimated 10,000 students expected by 1970.

Originally named Central Michigan Normal School and Business Institute, the College started on September 13, 1892. From its original enrollment of 31 students—29 girls and two boys—the College continued to grow until it now has some 4,100 students on campus plus additional enrollment of more than 5,000 involved in the many phases of off-campus classes under CMC's Field Services Department.

The new Library, Physical Education Building and Fieldhouse together with several new residence halls and married student apartments, give the college a plant with a valuation of more than \$25,500,000 covering 200 acres.

Currently under construction is a million dollar education building near US-27 in back of Alumni Field and a men's quadrangle which is half completed with the construction of Robinson and Larzelere Halls.

CMC is particularly proud of its Health and Physical Education Department which is regarded as one of the best in the Midwest for prospective coaches.

## CMC VARSITY FOOTBALL COACHES

CMC VARSITY COACHING STAFF (LEFT TO RIGHT): Thomas, Kelly and Wisneski

### Kenneth "Bill" Kelly, Head Football Coach

Since he took over as head man of the Chippewas' football fortunes in 1951, Coach Kelly has compiled one of the most impressive records in collegiate ranks.

In six previous seasons, his well-coached forces have lost only four conference games as the Chips have stormed to at least a share of the Interstate loop crown every season but two. Few coaches in college football today can match his brilliant overall record of 44 wins, nine losses and one tie in his first six years as head CMC grid coach.

During that span, the Chips have never experienced a losing season under Kelly and the closest they have come was a 5-3 record in 1951, first under CMC's winningest coach.

Kelly is a former CMC star and was one of the school's all-time athletic greats. He still holds the record for winning the most varsity letters—13.

### Kelly's Six-Year Record At CMC

	W	L	T	Conference Standing
1951	5	3	0	Third (4-2) to Northern Illinois
1952	7	2	0	First (6-0)
1953	7	1	1	First (5-0-1)
1954	8	2	0	Tie for First with Eastern Michigan (5-1)
1955	8	1	0	Tie for First with Eastern Michigan (5-1)
1956	9	0	0	First (6-0)
<b>Totals</b>	<b>44</b>	<b>9</b>	<b>1</b>	

Home-bred all the way, Kelly earned high school fame at Mt. Pleasant as a standout athlete. After graduating from CMC in 1930, he coached at Cass City, Mt. Pleasant and Saginaw Arthur Hill and compiled an overall winning record of 128 victories, 47 losses and 8 ties.

He fielded many outstanding teams at Saginaw Arthur Hill to earn a crack at collegiate football. In the Spring, Kelly coaches tennis and although he is in his 50's, the still agile veteran coach still plays an outstanding game on the court. He has also been head basketball coach of the Chips. He is married and has two children.

### Al Thomas, Backfield Coach

Now in his ninth year on the CMC coaching staff, Thomas is the man behind the Chippewas' splendid backfields. A former University of Michigan football standout, Thomas formerly coached at Ishpeming High for one year and was backfield and track coach at William and Mary for two years prior to coming to Central in 1949. Thomas was named to the All-America track team in 1942, his senior year at Michigan. Holder of a doctoral degree from Indiana, Thomas is also assistant track coach. He's a former All-State back from Detroit Cooley. Married and has two daughters.

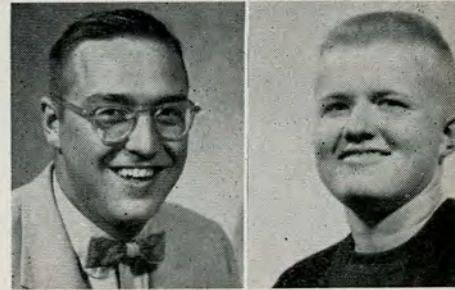

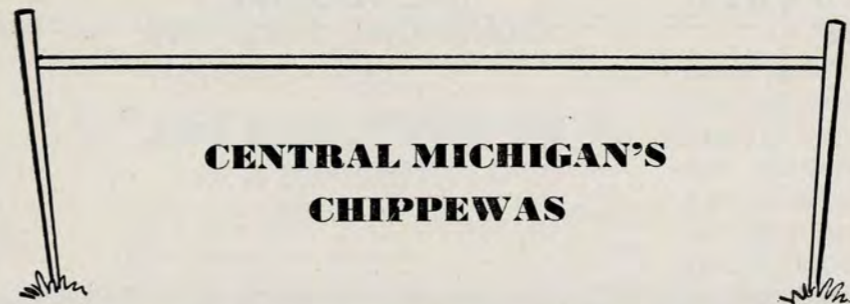

### Leo Wisneski, Line Coach

Another former CMC sports great, Wisneski earned Little All-America honors for Chips as a halfback in 1939. Coached at Pinconning, Mt. Pleasant and Bay City Central before joining CMC staff in 1948. Received masters from Columbia. Before he graduated from Central in 1941, he earned 10 varsity letters in football, basketball and baseball. In high school, he was a standout at Grand Rapids Catholic Central.

## Meet Hillsdale's Coach

Now in his fourth year as head football coach of the amazing Dales, Frank 'Muddy' Waters has had phenomenal success at Hillsdale.

Although the Dales have but 439 men on campus, Waters-coached Hillsdale teams have won the MIAA grid championship for three straight years.

And what's more remarkable, during Waters' tenure as head coach, his teams have lost but once while winning 25 and tying once.

An outstanding collegiate player himself, Waters played fullback at Michigan State in the late 40's. Unbeaten teams became a habit for the youthful coaching wonder boy when he led Walled Lake High to an undefeated season only two years after being graduated from MSU.

After a successful stint at Albion High, he was named Athletic Director and Backfield coach at Hillsdale in 1953 and took over a year later as head grid coach.

Winning's A Habit

## Dales' 26-Game Win Streak Is Chips' Target For Today

Central Michigan College's football team, stunned by two straight losses, today finds itself in the unfamiliar role of a long-shot underdog.

Its opponent, Hillsdale, comes into Alumni Field with one of the longest win streaks in the nation—26 straight—plus a convincing 42-7 thrashing over Lakeland, Wis. in an opening game.

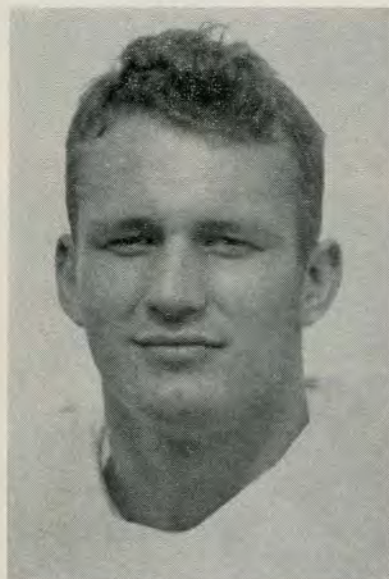

Coach Bill Kelly's Chips, which saw two of the school's biggest win streaks snapped in the first two games, haven't lost three games in a row since the 1950 season.

Central, however, is pointing for an unprecedented sixth straight Interstate Conference grid crown and doesn't open league play until next week.

The Chips have lost to Bradley, 14-7 and Western Michigan, 33-0 and today face what many consider one of the nation's outstanding small college elevens.

Once again, the strong point of the Dales is the line, led by co-captains Dave Driscoll at Center and all-MIAA Tackle Ed St. Clair. Dave Trippett, a giant 6-2 220-pound guard, has the distinction of being drafted by the Los Angeles Rams already and is being boomed for All-America honors.

In the backfield, a fast-striking quartet of Quarterback Doug Maison, Halfbacks Don Eugenio and Walt Poe and Fullback Wayne O'Shaughnessy paced the Dales' power-packed single wing offense to an amazing 266 yards on the ground and another 58 by air against Lakeland, Wis. last weekend.

Central Michigan's Finest

time for Living

More than anything else, a KitchenAid dishwasher brings you the precious gift of *time*. You have time to be a part of things—family fun and friends-after-the-game—secure in the knowledge that all's well in the kitchen.

Indeed, your dishes could not be in better care. Your KitchenAid is produced by Hobart—another way of saying it's *the finest made*. You'll see the evidence everywhere you turn: The new Timed Spray Cycle that "warms up" tableware and dishwasher interior, clears plumbing lines of cold water before the wash action starts. The easy-rolling, cushion-coated racks that take the guess out of loading. The revolving power wash system that leaves your

tableware *hospital-clean*. The separate blower that dries even fine crystal to perfection.

Yet—wonder of convenience—Hobart has contrived to work all these features into the *standard cabinet width*; you don't give up space you sorely need. By all means, see the new KitchenAid by Hobart. You'll find just the model to go with your kitchen, as surely as it goes with your way of life. And see the new food preparer and the electric coffee mill—they're KitchenAid, too!

See the new KitchenAid! Write The Hobart Manufacturing Co., KitchenAid Home Dishwasher Division, Dept. CFP, Troy, Ohio. In Canada: 175 George Street, Toronto, 2.

## Today We Salute...

Leading the cheers for Central Michigan College's varsity teams this year are front, row left to right: Nancy Wheeler, Grosse Ile junior who is in her third season with the varsity crew; Marjorie Pearsall, Highland Park sophomore; Nancy Cockerill,

Caro sophomore and Patti Pontikis, Dearborn Senior who is the 1957 captain and also a three-year veteran. Back row are: Bob Kelly, Detroit senior; Dick Malla, Detroit Junior who is also an outstanding gymnast and Jack Forsyth, Almont sophomore.

### HOMECOMING NEXT

Next home attraction for Central Michigan College's football team will be the Chips' annual homecoming weekend game against Northern Illinois Oct. 19.

Central takes to the road after today's contest for two games which will decide early whether the Chippewas will be serious contenders for an unprecedented sixth straight Interstate Intercollegiate Conference football crown.

After opening their conference schedule against Illinois Normal at Normal, Ill. next Saturday, the Chippewas face Eastern Michigan at Ypsilanti in a Friday night Oct. 11 encounter before returning home to perform before the alums.

The Oct. 19 homecoming game will start at 2:00 p.m. instead of the usual 1:30 starting time. Homecoming theme will be "Remember When?"

Alumni from 1925 through the 1935 class will meet for a special decade reunion while the class of 1947 will hold its 10th Anniversary celebration.

**A DEDICATION  
TO "DOC" SWEENEY**

A face familiar to Chippewa fans since 1939 is missing from Central Michigan College's rooting section this Fall.

One of the Chips' most colorful campus figures, Lawrence M. Sweeney, known simply as "Doc" by almost two decades of admiring athletes, died recently of a heart attack. He was 50 years old.

"Doc" was on the football coaching staff for 13 years during a span when the Chips soared to gridiron prominence. A former CMC star himself (he captained the 1930 team), Prof. Sweeney's dressing

room orations which sparked many a halftime comeback became a campus legend.

The 1957 season is dedicated to one of the College's favorite sons who went on to become one of the Chips' greatest coaches.
