

GRADUATE TEACHING ASSISTANT TRAINING OPPORTUNITIES

In partnership with the Office of Research and Graduate Studies, the Office of Curriculum and Instructional Support (CIS) is excited to offer GTA Training, a series designed for graduate teaching assistants. These sessions are designed to prepare graduate students for their teaching roles at CMU, enhance their teaching skills, increase their pedagogical knowledge, and practice, and equip them with the tools and strategies necessary to effectively support undergraduate education. GTAs receive guidance in various pedagogical techniques, teaching methods, and classroom management strategies.
