

EDU381WI

Pre-Student Teaching Apprenticeship

Clinical Description

As part of CMU’s cohesive sequence of clinical experiences, this course will include 110+ hours of student contact in a PK-12 educational setting. Student contact hours might include time working directly with students as well as instructional planning with a mentor teacher. Student contact experiences will gradually increase to include greater responsibility for instructional delivery and student learning. These clinical hours will help the candidate fulfil the Michigan Department of Education requirement for 600 clinical hours in initial preparation.
