

Graduate Application and Admissions Instructions

New CMU Students (with a master's degree from another university), upon acceptance into the internship must:

- Apply for acceptance into the College of Graduate Studies as a degree-seeking student in the Master's in Nutrition and Dietetics program.
 - **Only the application, application fee, and transcripts are required.** Any additional materials are optional.
 - Pay the \$50 application
- After receiving admission letter, accept admissions and provide internship director with your CMU Global ID and Student Number.

If you have any questions during this process, please contact admissions.

Current CMU MSND students who have already been accepted into the College of graduate studies, upon acceptance into the internship must:

- Provide internship director with your CMU Global ID and Student Number.

Incoming interns must register for Graduate Courses:

- Register for NDS 674 Dietetic Internship: Clinical Exp. (5 credits)

Go through the process of registering and click to request to be registered
