Cmich.edu: Get Familiar with your CMU Account

Cmich.edu is your CMU portal for all information related to your student needs. Once logged in with your CMU Global ID and password, you can access personalized information, documents, and resources to help you navigate the business side of being a student at CMU; registration, financial aid, pay/view your bill, and receive tuition statements!

WHY CHECK MY EMAIL ALREADY?

CMU is already communicating with you about various steps you need to take or opportunities available to you! If you aren't checking your CMU email, you may be missing out.

🖳 mail.cmich.edu

WHAT IS QUIKPAY?

QuikPAY is our online payment processor where you can view your account details and billing statements, make payments, authorize payers and sign up for the CMU Payment Plan. In your CMU account, click 'Pay/ View My Bill' in the Quick Links for Students. This will take you to QuikPAY!

IMPORTANT: If you would like someone else to make a payment on your account, you'll need to make them an authorized payer.

Student Account Checklist

AUTHORIZING A PAYER

Authorize your supporters who will help with billing so they can review your bill, receive statement notifications, and speak to a representative about your billing account. In your CMU account, click 'Pay/View My Bill' in the Quick Links for Students, and once in, select "Authorize Payers" to add a new payer.

REVIEW PRE-BILLING ESTIMATE

Check here for an estimate of your semester bill that includes information about:

- Tuition and fees
- Housing and meal plan expenses
- Expected financial aid

prebillingestimate.apps.cmich.edu

This does not include an estimate for book purchases. We estimate \$625 per semester for book costs (not every student will spend this amount every semester). If you are using the CMU Payment Plan, please remember to add estimated book charges.

CREATE A FINANCIAL PLAN

How will you pay? After reviewing your Pre-Billing Estimate, determine which route you will take:

- Pay your bill in full by the deadline indicated on your electronic billing statement
- Sign up for the CMU Payment Plan (your option for monthly payments)

You may consider additional loan options if your financial aid package leaves you with out-of-pocket expenses:

- Parent PLUS Loan
- Alternative/Private Loan

SELECT YOUR REFUND METHOD

CMU has partnered with BankMobile to provide refunds to students with credit balances. You **must** select a refund method in your CMU account regardless of whether or not you anticipate a refund. You may use an existing bank account, or sign up for the BankMobile Vibe Account.

REVIEW YOUR STUDENT ACCOUNT REGULARLY

Please be aware that you may receive additional bills even after your tuition is paid (e.g., adding a class, charging a book, increasing flex dollars). Make it a habit to review your account **every** month when you receive an email notification that your billing statement is ready to view.

WE'RE HERE TO HELP

Visit OneCentral located in the Bovee University Center 119 for all of your financial aid, billing, and registration needs. Here you will receive advice and direction on your individual account needs.
