MAJOR: DIETETICS

DEGREE: BACHELOR OF SCIENCE OR BACHELOR OF ARTS

Completing this undergraduate program Didactic Program in Dietetics (DPD) allows students to meet the educational knowledge and skills specified by the Academy of Nutrition and Dietetics (AND) as part of the requirements to become a Registered Dietitian (RD)/Registered Dietitian Nutritionist (RDN). The students are awarded a bachelor's degree upon completing the required didactic coursework. This program is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) and enables students to apply for a Master's and Dietetic Internship following graduation. Completing these requirements and passing the Registration Examination for Dietitians meet the requirements for the RD/RDN credential.

Transfer Credit Guide

This guide is subject to change and should be used in consultation with an academic advisor.

To see remaining credits to complete your bachelor's degree program at CMU check out our Undergraduate Bulletin here:

<https://cmich.smartcatalogiq.com/>

Be sure to select the **most recent Undergraduate Bulletin Year**, then select Majors, Minors, Certificates, and Pre-Professional Studies and find your program.

NOTE: After adding the possible transfer credits and the credits taken at CMU together, some students will need additional credits to satisfy the **minimum number of 120 credits to graduate, the 60 credits required from a four-year institution, and the 36 credits required at the 300 level.**

BACHELOR OF SCIENCE: A minimum of 9 credit hours of natural or social science (list of approved designators in CMU Bulletin) at the 300-level or above are required; at least 6 credit hours from the same designator and no double counting with General Education.

BACHELOR OF ARTS: Completion of the 202 course in any foreign language. This requirement may also be satisfied by passing the 202 examination or equivalent. Two foreign language courses from the University Program may be counted toward satisfying this requirement.

General Notes

- Remaining General Education Requirements as well as elective credits are to be selected in consultation with an advisor to ensure that degree and graduation requirements will be satisfied
- This transfer guide represents MTA fulfillment. An official transcript that is designated as being "MTA Satisfied" will have satisfied the University Program portion of the General Education Requirements. A portion or all of the Competency Requirements may also be satisfied by an official transcript designating "MTA Satisfied".
- This guide is subject to change and should be used in conjunction with an academic advisor and reflects successful completion of the MTA. All curriculum is governed by the CMU Bulletin based on year of admissions. The CMU Bulletin is available online above.
- A grade of C or better is required for a course to transfer a required class for the major.
- A bachelor's degree requires a minimum of 120 semester hours of credit. CMU will accept community college transfer credits beyond the recommended 60 semester hours; however, students will need to complete a minimum of 60 semester hours from an accredited four-year degree granting institution. A minimum of 36 hours must be completed at the 300 level or above. A minimum of 30 semester hours of credit must be earned from CMU.
- Students are required to meet CMU Competency Requirements prior to reaching 56 credit hours. Competency requirements consist of two Written English (composition) courses, one Oral English (communication) course, and one Mathematics course be completed with a grade of "C" or above.
- Students accepted into the professional phase must meet the professional phase requirements, maintain a 3.0 GPA overall and 3.0 GPA over all in their Didactic Program in Dietetics (DPD) coursework, and have a grade of "C" or better in the required core courses.
- Any remaining required and elective courses for a bachelor's degree will be selected in consultation with an academic advisor to ensure that CMU degree requirements are being met.
